

Dear colleagues,

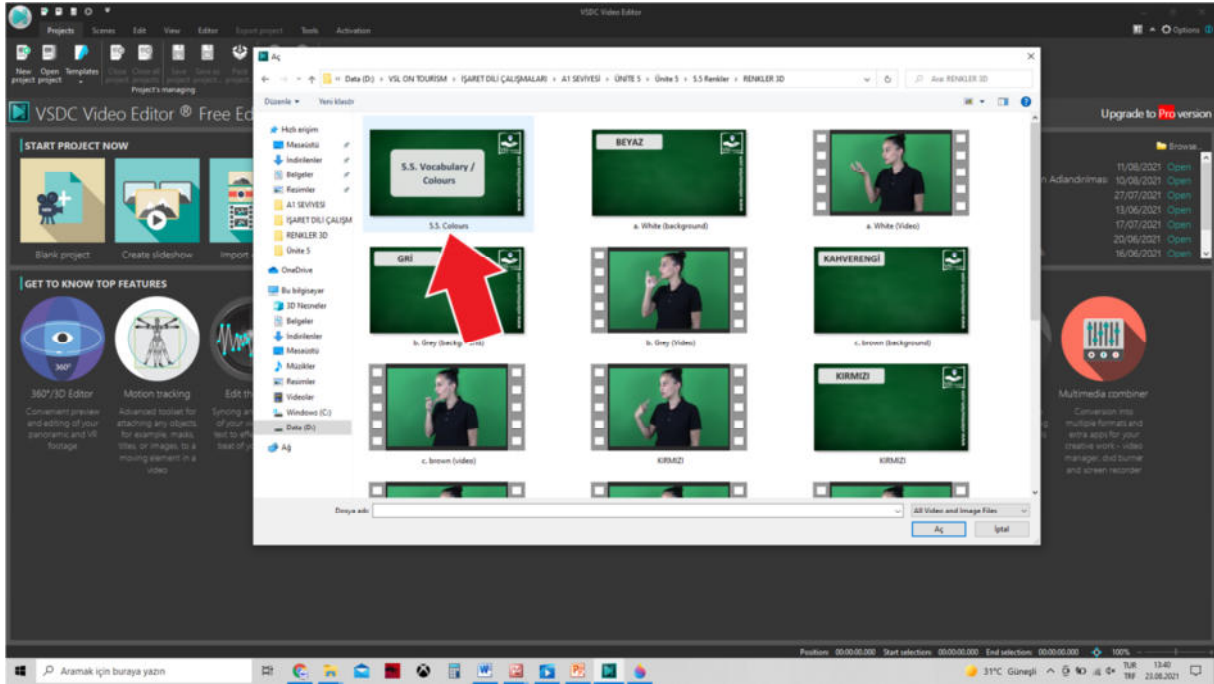

We have prepared a Distance Learning Culinary Education Curriculum for the Hearing Impaired in Result 2. The curriculum we have prepared consists of 11 units. In Result 3, educational contents will be created for the curriculum created in the previous result. Our educational activities for the preparation of these educational contents started today. You will find the notes related to the first day below.

Preparation of the background (Paint 3D)

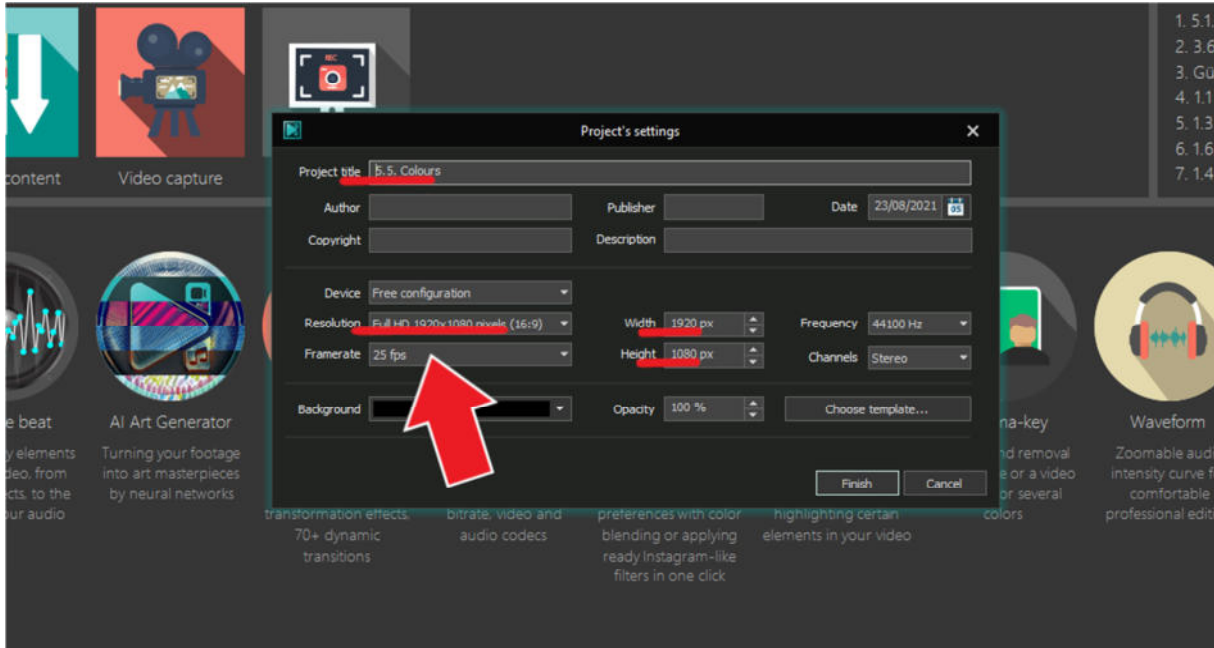

Import Content

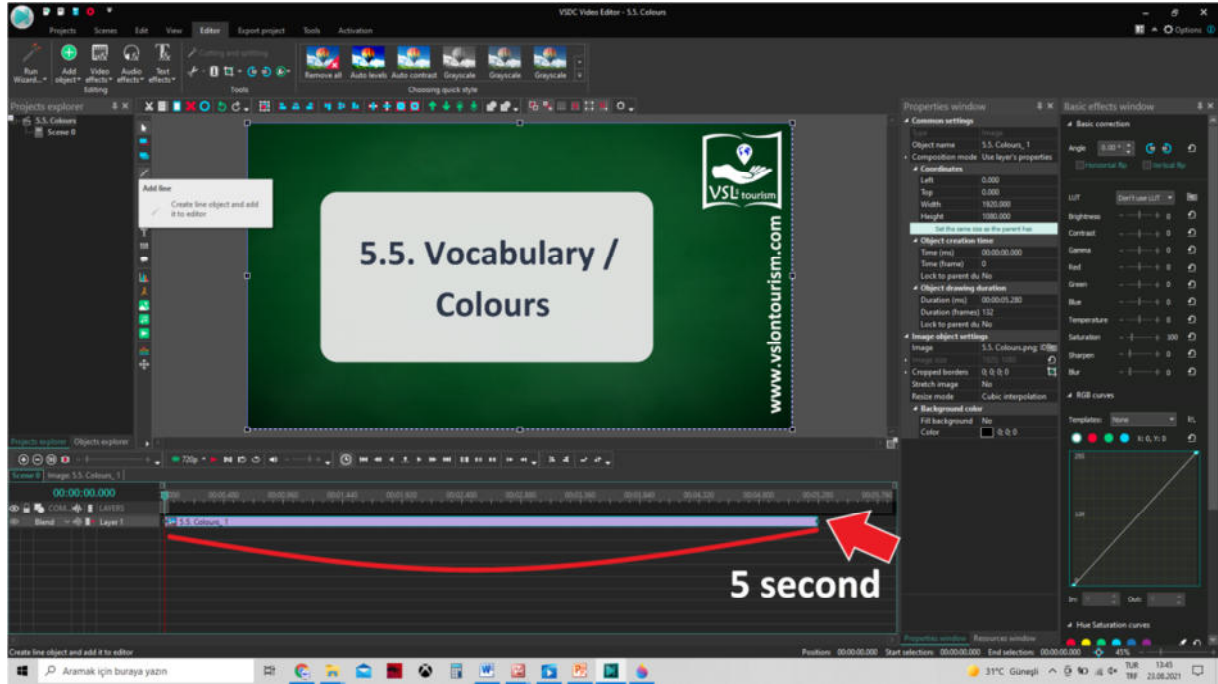

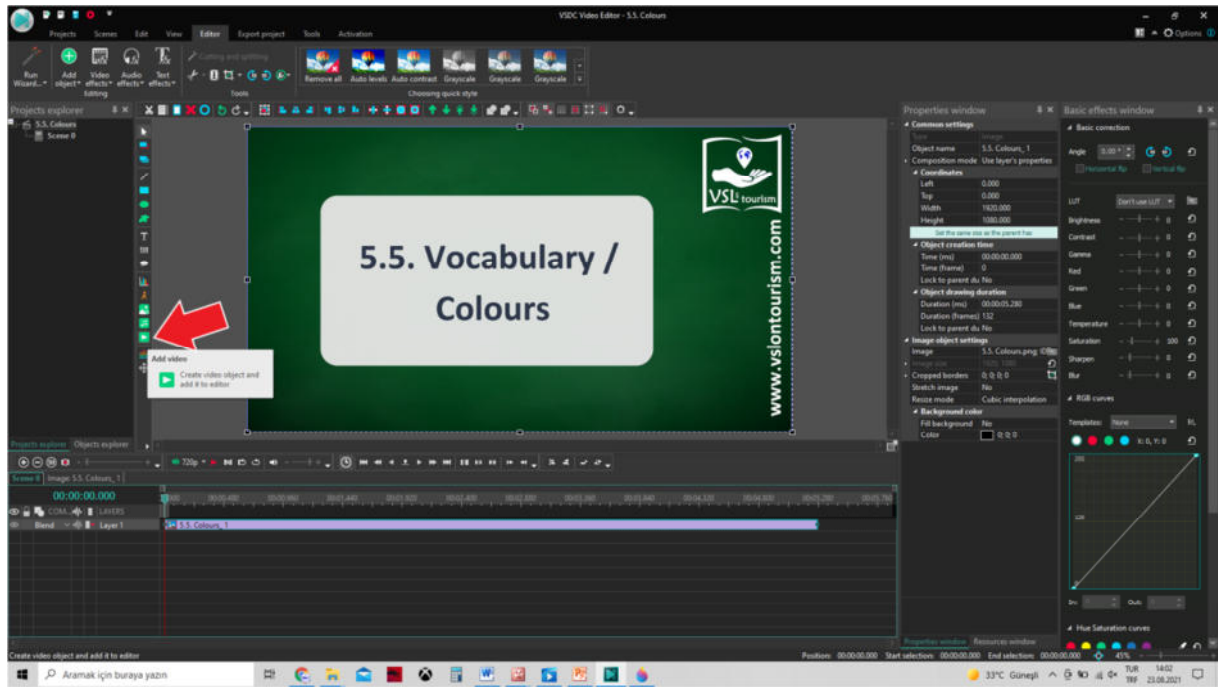

Size 1920 x 1080

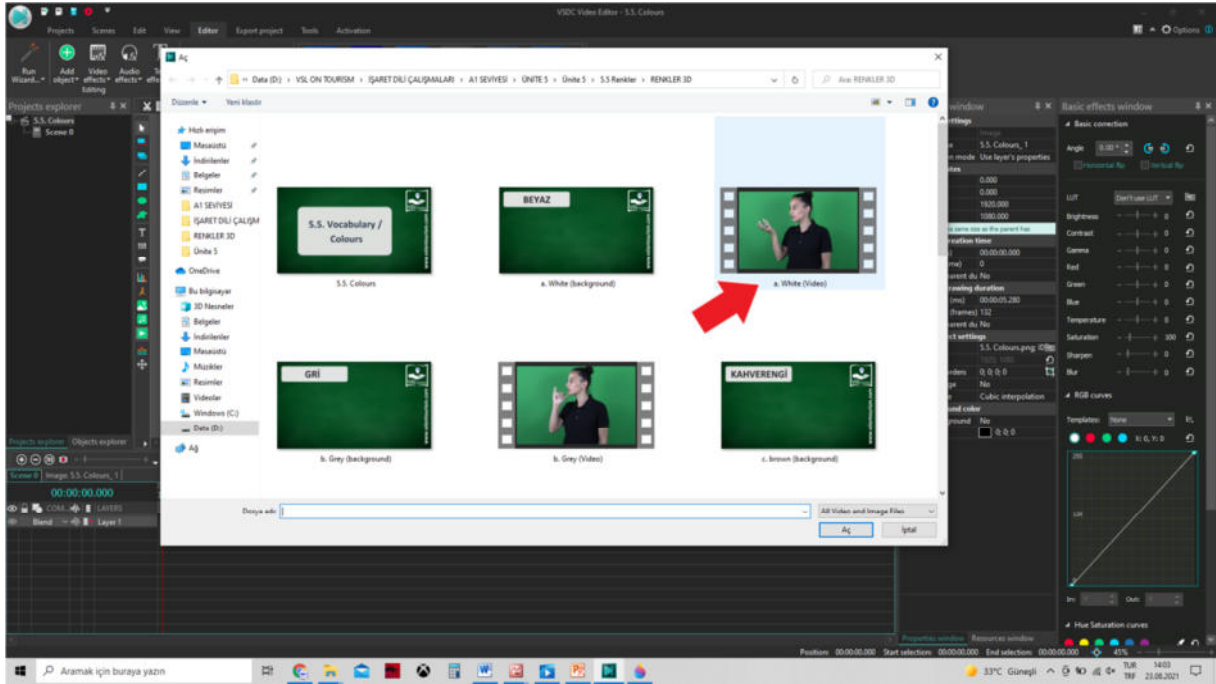

Duration should be between 5-6 second for main background

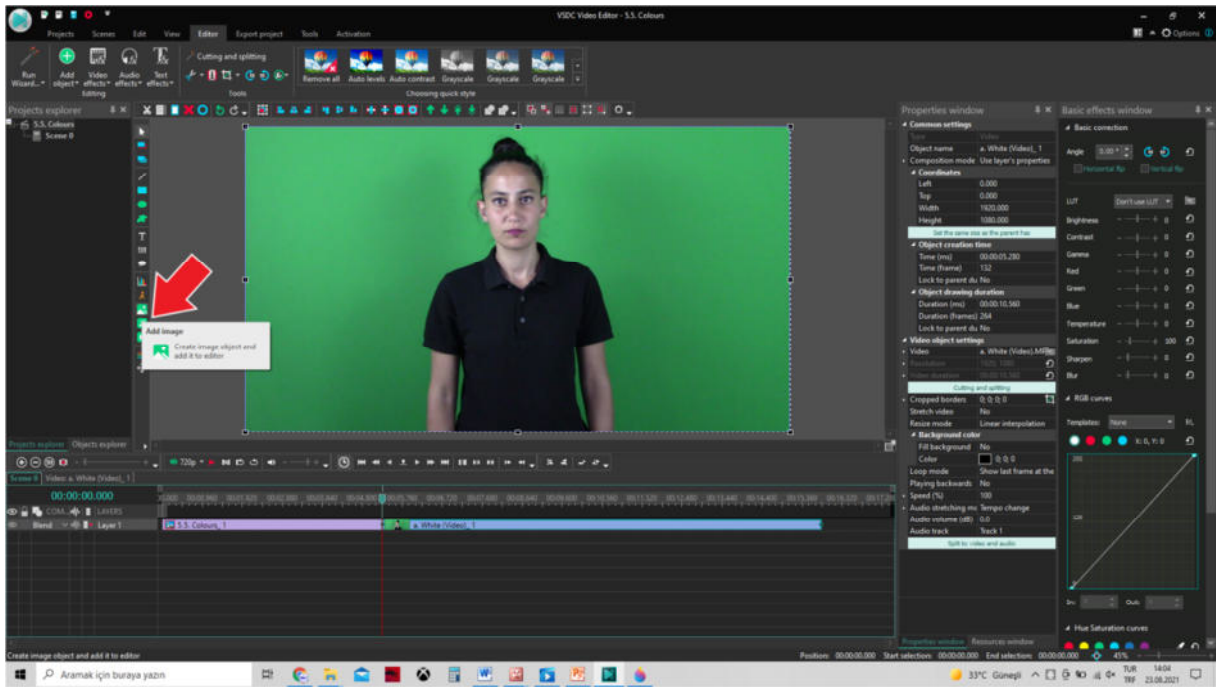

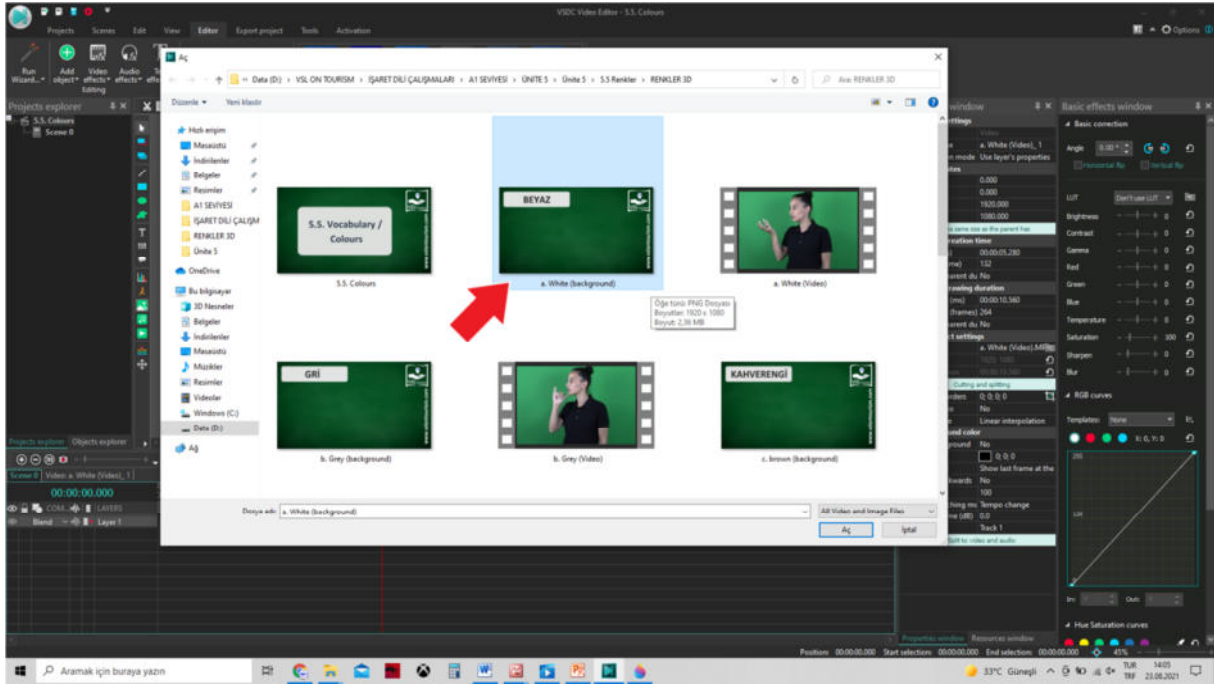

Add Video

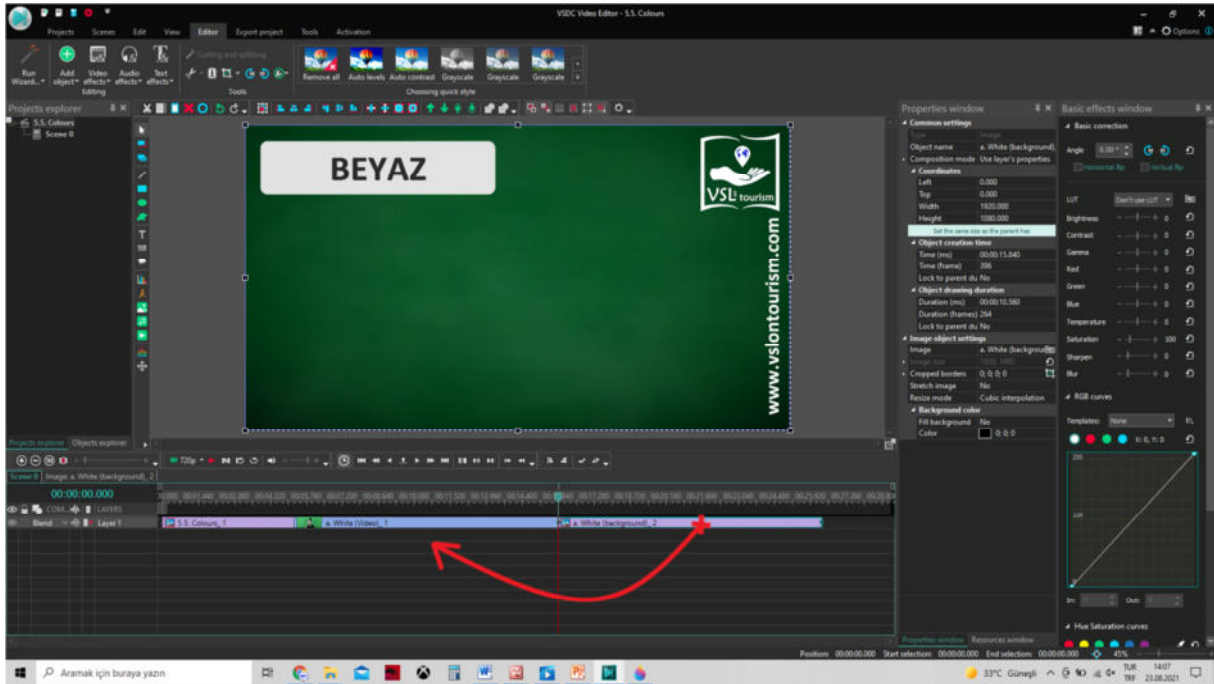

Add background (image)

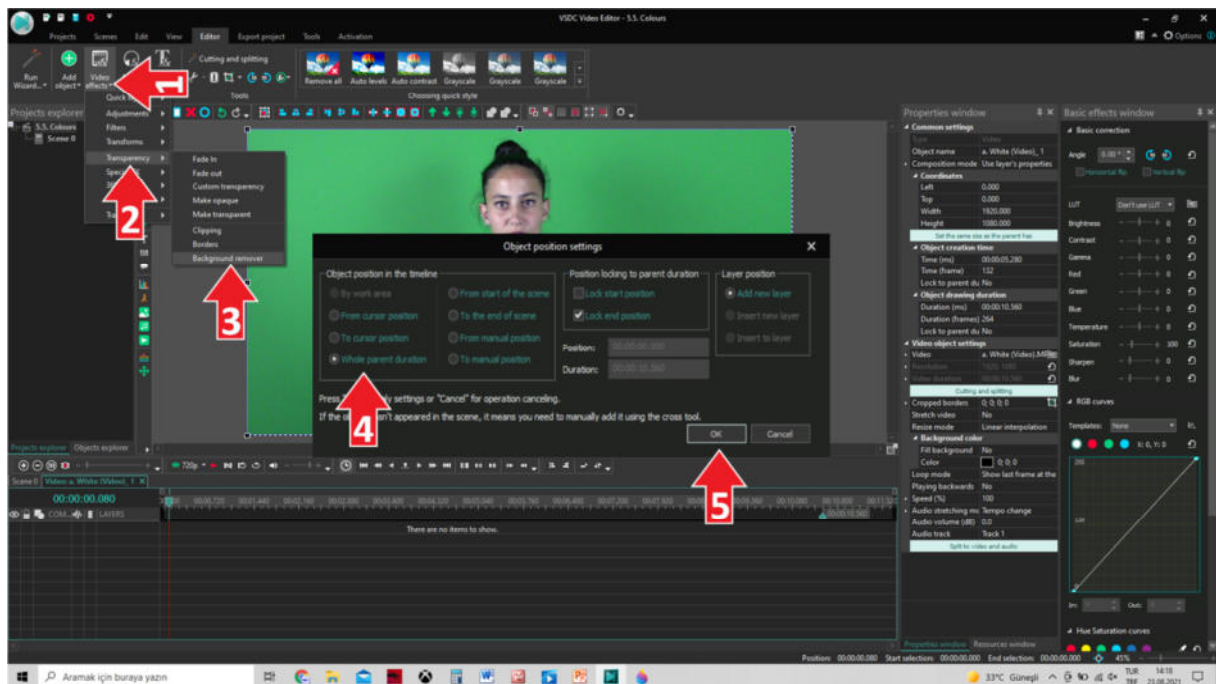

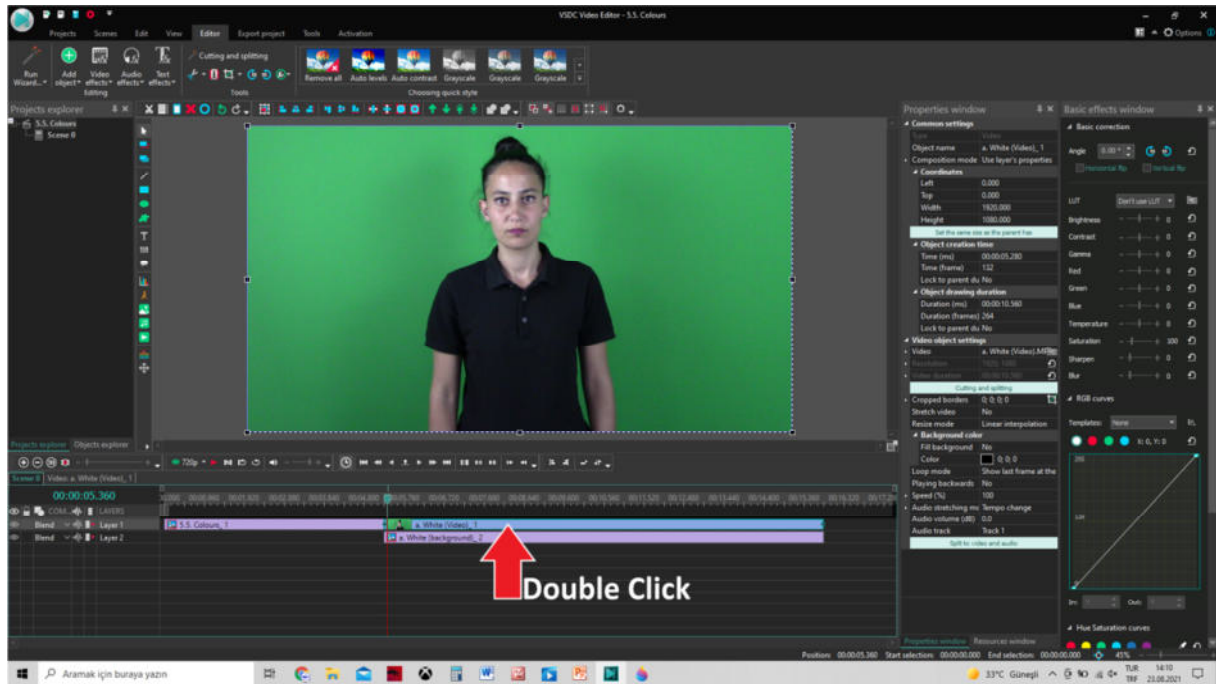

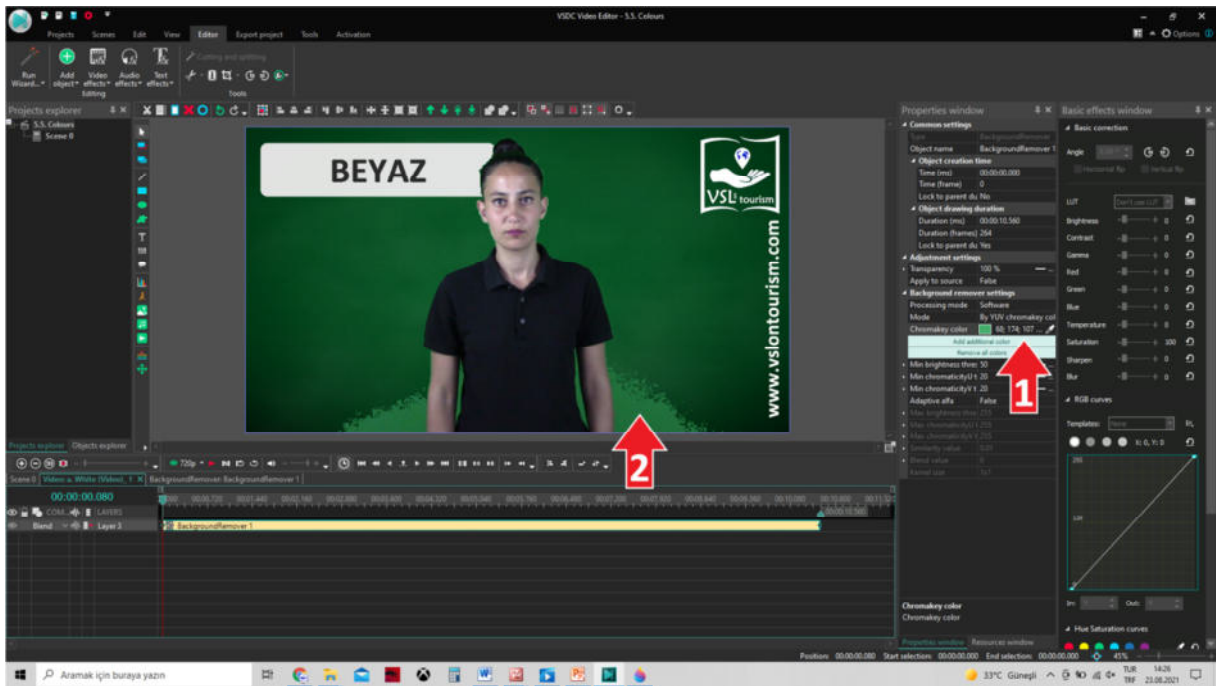

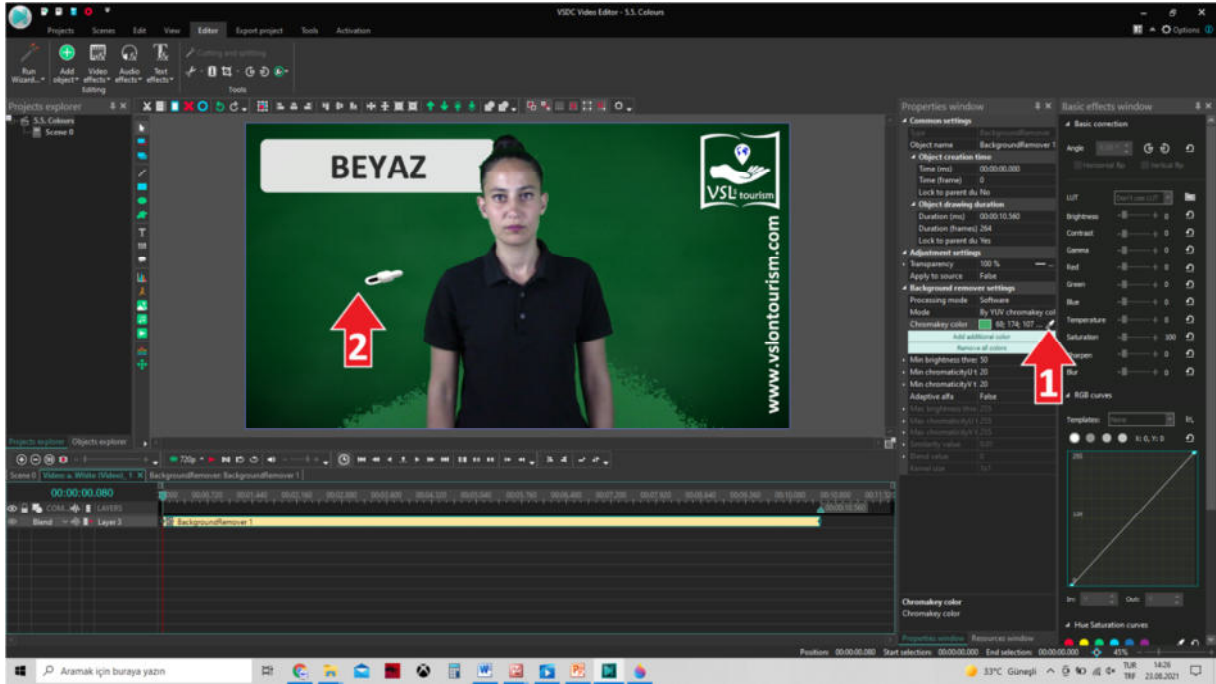

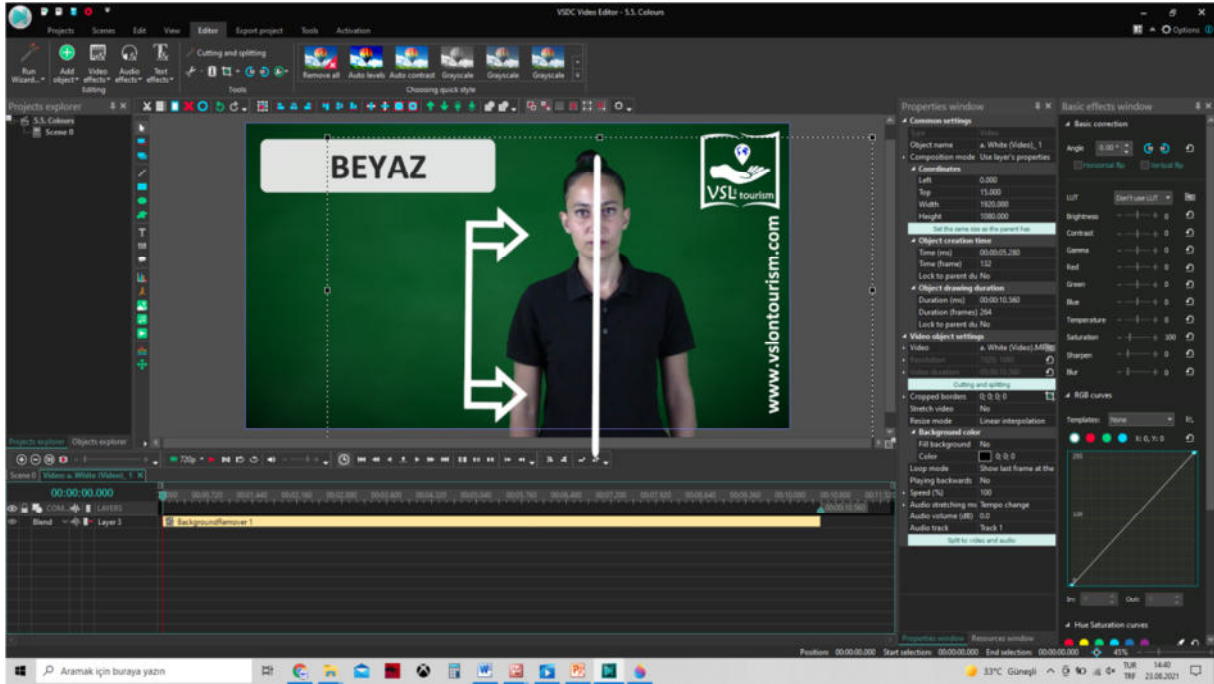

Transporting image for create layer

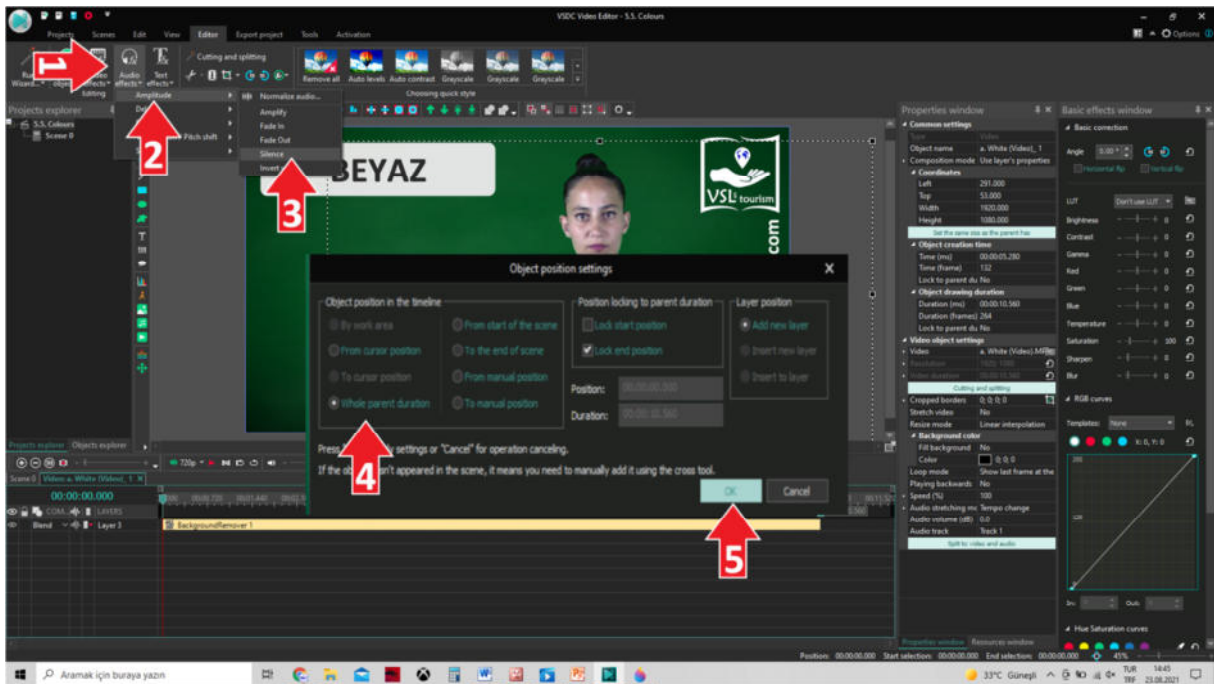

Clearing the background

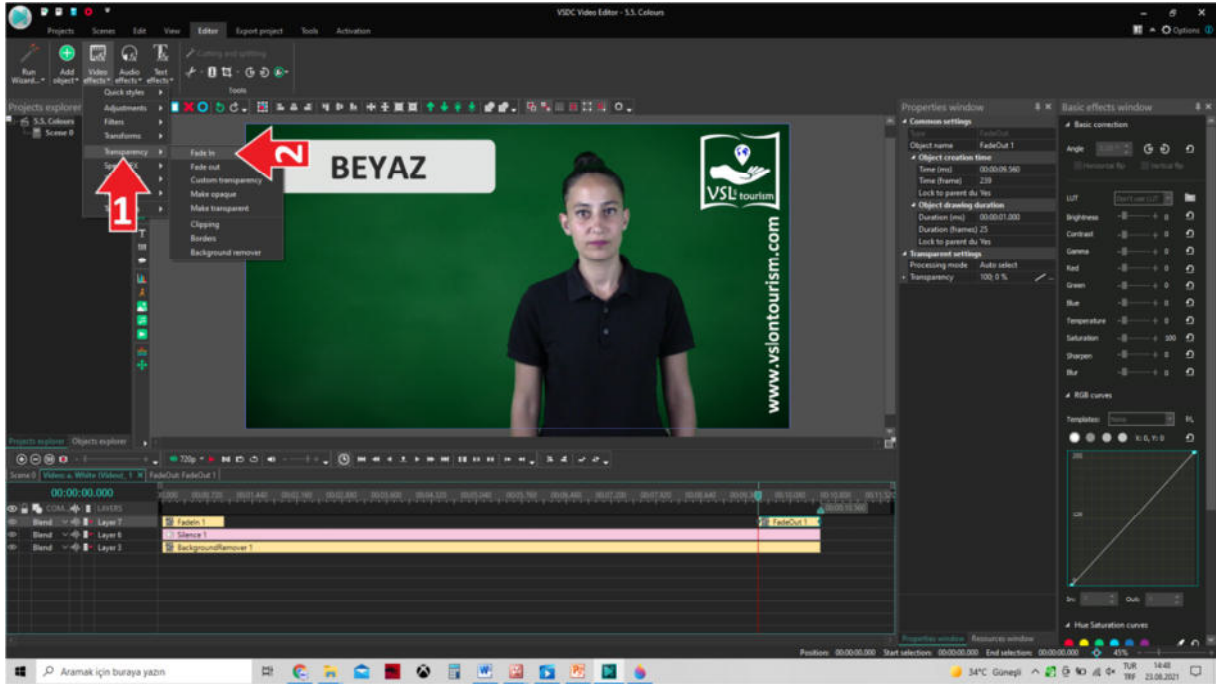

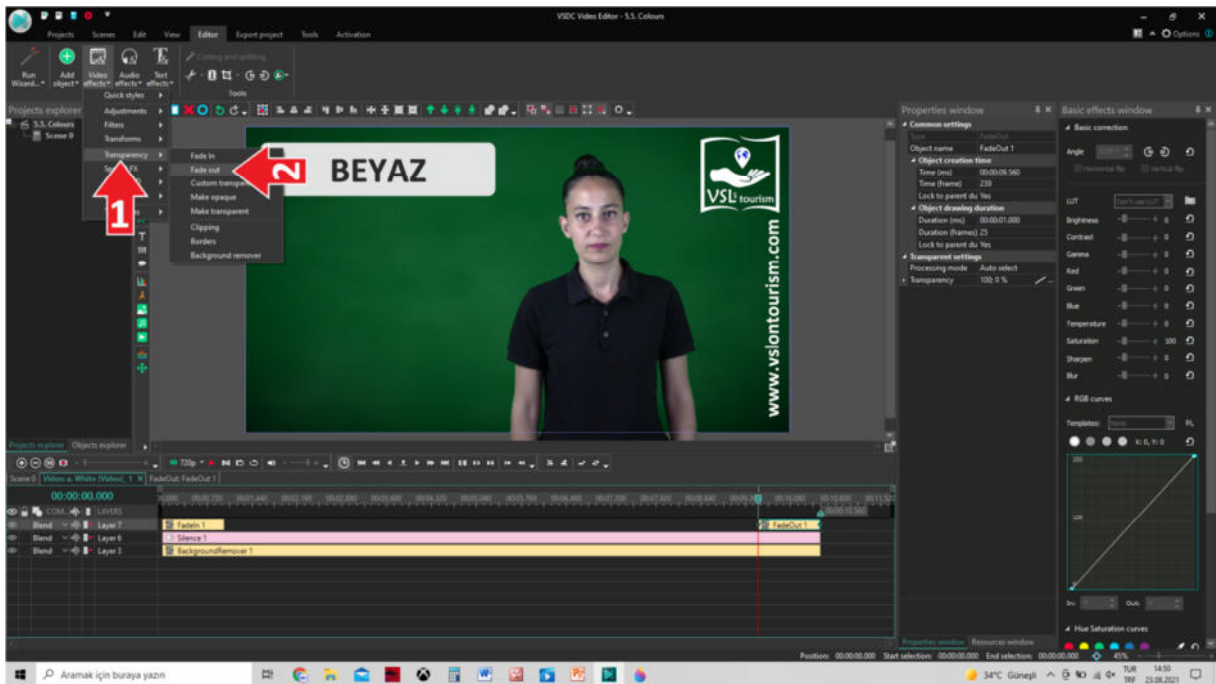

Turn off background sounds

Fade In Effect

Fade Out Effect

Adding next video
